

My Mum

Mum you are as kind as the tooth fairy who gives me money.

Mum you are as beautiful as a swan floating down the river.

Mum you are as wonderful as a sunflower.

Mum you are as magical as a fairy flying in the sky.

Mum you are as special as a unique snowflake falling from the sky.

Mum you are as charming as a deer galloping.

Mum you are as magnificent as a queen ruling.

Mum you are as warm as a comforting heater.

Mum you are as perfect as a blossoming flower.

Mum you are as bright as the sun illuminating the sky.

Mum you are as colourful as a sparkling rainbow peeking through the clouds.

Mum you are as caring as a cuddly bear.

Mum you are as glamorous as gold.

Mum you are as graceful as a dancing ballerina.

I love you mum!
