May the God of endurance and encouragement grant you to live in such harmony with one another, in accord with Christ Jesus, that together you may with one voice glorify the God and Father of our Lord Jesus Christ. Therefore welcome one another as Christ has welcomed you, for the glory of God.

# MORNING LARKS

# **Afterschool Club**

Runs from 3.30pm to 6.00pm. Initial costs will be:

£9.00 for 1st child / £6.00 for siblings

Same rules apply as with breakfast club, a nutritious, well balanced tea will be offered along with fun activities and help/time if needed to complete any homework. Payments will be required to be made on Parentpay prior to dates booked. Please contact the office team if you would like a booking form.

# **Breakfast Club**

We are delighted with the response so far but would love to see more children join our lovely breakfast club.

The breakfast club will offer children a healthy selection of breakfast options and a nurturing environment to play, read and prepare for their day ahead. We are proud to say that having researched the costs of breakfast clubs locally we are able to provide this service at an extremely competitive rate of £4 per hour, with a 50% discount for siblings.

Please just pop into the office to collect a form or call and office can send a form home with your child/ren.

Sunday 13th November 2022

Dear Hope Community school,

I am writing to say a huge thank you for donating your harvest to Bexley foodbank.

You collected 56.45 KG of food which will help to serve many families.

We are immensely grateful for your continued support.

Last year we fed 9,081 people in Bexley Borough that were in need. Due to increase in cost of living and asylum seekers, we project that we will feed approximately 12,000 people by April next year.

Kind regards & every blessing

Gillian Bates

# Support your child to view appropriately aged video and a website that allow you to create parental restrictions with YouTube Kids

YouTube Kids is a kid-targeted portal to <u>YouTube</u> aimed at kids from pre-schoolers to tweens that features curated, ad-supported TV shows, music, educational videos, and user-created content. As of 2022, there's also a <u>YouTube Kids website</u>. It's worth noting that since there are regular updates, the channels and videos are always subject to change. <u>The app has drawn lots of public scrutiny and controversy</u> for including some clearly inappropriate videos and ads (with nudity, alcohol, and profanity), as well as fast-food and junk food ads that push unhealthy food (some of which look a lot more like entertainment than advertising, making it hard for kids to know they're being marketed to). Currently, though, YouTube Kids shows some paid ads before videos so the other content, according to the Parental Guide, can be offered for free --but they're labelled as ads.

Helping parents keep their children safe online.

internet matters.org

We've designed a simple checklist to give you peace of mind regarding your child's safety on the internet.

Set your children's device up before you give it to them so you know they're safe online as soon as they start playing.

### Get started

Set parental controls on your broadband to prevent your children seeing things they shouldn't

For smart phones check parental controls are also set up on the mobile network

# Set up the device safely

Use the device setting so you can only download age appropriate apps and games

Set up password control or disable in-app purchasing so big bills are not run up accidentally

Disable location services so your child doesn't unintentionally share their location with others

Download age appropriate apps you're happy for your child to use

# Talk about staying safe

If your children are 8-10 years old, download our parent / child Internet Matters app to help you talk about e-safety issues in an interactive way.

Be aware of key issues and how to discuss them with your children so they know how to stay safe online

If your child is using social networking apps check their profile and privacy settings, making sure they are not sharing personal or private information with people they do not know
