

Creators: Autumn 1 2025

English:

We'll be reading *Kensuke's Kingdom* and learning about narrative writing, including using speech marks.

Learning beyond the classroom:

Swimming every Thursday
Tower Bridge trip on 10/10/25

Computing:

We'll explore online safety, including their self-image and identity online, as well as be introduced to vectors.

Maths:

We will be with place value up to the millions, addition and subtraction, as well as multiplying and dividing.

Home learning:

We believe one of the best things you can do is read with your child and have them read to you. Please read at least 5 times in a week for 20 minutes with your child. Turn in the reading record on Friday. Children can change their books as often as needed.

Art/DT:

Architecture will be our focus: observational drawing, printmaking and building design.

Science:

This will be a fun topic of forces, including friction, air and water resistance and gravity.

Author of the term:

Michael Morpurgo is an amazing author. We have barely scratched the surface of his work. We will enjoy diving into some of his emotive stories.

Music:

We'll be engaging in composition notation, with the theme of Ancient Egypt.

RE:

We'll be looking at what different people believe about God and why people need to stand up for what they believe.

History/Geography:

We'll be learning about rivers, what they are and the role they have played and still play in society.

PE:

Swimming will be on Thursdays and Friday we will be doing health related exercises in a circuit.

PSHE:

Families and relationships is our topic. We'll look at how relationships change over time and how we can make friends.
