

Creators: Spring 1 2026

English: We'll be writing fiction narratives and learn how to write persuasively. We'll continue to practise GPS skills and guided reading.

Maths: We'll keep working on fractions, including multiplying them. We'll also revisit multiplication and division with more depth.

Science: We're learning about space and look forward to a fun half-term.

RE: We'll be looking at what different religions say about what happens when we die.

Learning beyond the classroom: We'll be enjoying Forest school - Through hands-on activities, we will discover wildlife, practise problem-solving, and develop new skills by learning outdoors.

Home learning: Reading for 20 minutes, 5 times per week is the most important homework. Some students have not completed this. Please ensure to do this with your child. Also, complete TTRS at least 10 minutes a day to make maths easier for your child.

Author of the term: We will explore the wonderful stories of Enid Blyton, known for her exciting adventures and memorable characters. Her books will inspire our reading, writing, and imagination as we dive into tales of friendship, mystery, and fun.

History/Geography: We'll be answering the question: why are rainforests important to us?

PE: Forest school will be on Thursdays, except for the 22nd. We'll have it Friday the 23rd. Our other PE day is Tuesdays.

Computing: Online safety will focus on online relationships. We'll also look at systems and searching.

Art/DT: Painting and mixed media - focusing on portraits and expressing ourselves through art.

Music: Inspiration from South and West Africa.

PSHE: We'll be learning about how to keep healthy and have a good sense of wellbeing.
