

## Innovators: Summer 2026

### English:

Animals around the world  
(information text)

How to keep yourself healthy  
(explanation)

### Maths:

Money  
Fractions  
Time

Mass, capacity and temperature  
Position and direction

### Science:

Plants

### RE:

How do some people talk to God?  
Where do some people talk to  
God?

### Learning beyond the classroom:

We try to get as much learning outside as possible and so far this year have had a couple of amazing trips. We also have some upcoming trips soon to be announced!

### Home learning:

Reading at least 5 times in a week for 20 minutes with your child is one of the best things you can do and reading records should be bought in to be changed every Tuesday and Friday when needed.

Maths games, times table practice and regular phonics practice also helps to supplement classroom learning.

Author of the term:

**Julia Donaldson**

### Computing:

Online Safety: Managing online information  
NCCE: Digital music  
Online safety: Health, wellbeing and lifestyle

### Art/DT:

Painting and mixed media: Life in colour

Mechanisms: Making a moving monster

### Music:

Contrasting dynamics  
(Space)
