A MESSAGE FROM MRS CARVOSSO

As we come to the end of another busy half term, it has been wonderful to see the sunshine finally starting to appear! The children have enjoyed many fantastic learning experiences over recent weeks, including visits to the gym for exercise classes, exciting river trips exploring the water and local wildlife, and a memorable visit to the Houses of Parliament for our Year 5 and 6 pupils. We were also incredibly proud of the confidence and talent shown during our school talent show today.

We would like to wish all of our families a happy and restful half term break. We are already looking forward to another exciting half term ahead, with Sports Day, the beach trip, and the Year Six production still to come!

Author of the Term

We have been loving our Author of the Term focus this year! Each term, classes shine a spotlight on a different author to help spark a love of stories and nurture reading for pleasure across the school.

Children are encouraged to explore more titles by the author, write short reviews to share with their classmates and share with the rest of the school at the end of the term. It has been wonderful to see pupils enthusiastic about discovering new books, favourite characters and different styles of writing!

Summer Term Focus -

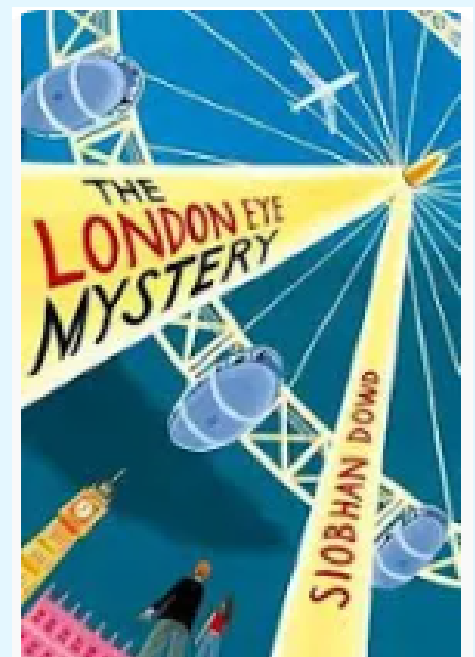

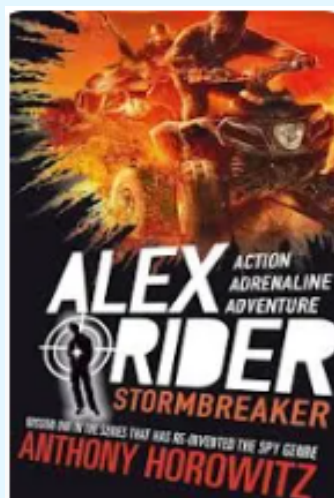

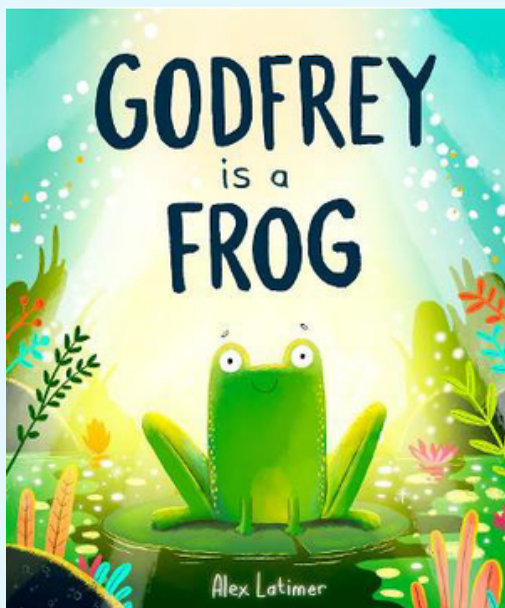

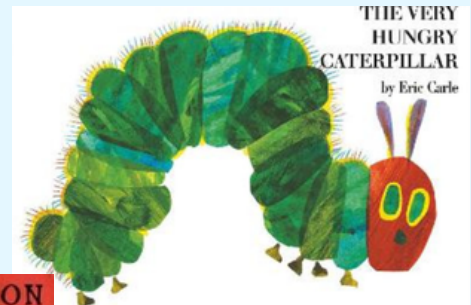

Trailblazers: Eric Carle

Innovators: Francesca Simon

Waymakers: Alex Latimer
