

Creators: Autumn 1 2026

English: We will be working on poetry using different literary devices. We'll also work on writing persuasively, linking our topics about sustainability.

Learning beyond the classroom: We will be enjoying Forest School every Thursday. Please come prepared.

October 2 - class trip to Sikh temple. This is free of charge. Please give permission on Arbor.

Computing: We'll be learning about online safety, managing our information online and privacy and security.

Maths: We'll be starting with place value and revisiting our basic operations of adding, subtracting, multiplying and dividing.

Home learning: Reading for 20 minutes, 5 times per week is the most important homework. Reading records due on a Wednesday.

We will also be setting homework on spellingshed and prodigymaths. More info to come.

Art/DT: Using art to make an impact on society. We'll be looking at drawing.

Science: Electricity! We're looking forward to getting very hands-on and creative with this!

Bible verse of the term: I have come that they may have life and have it to the full. John 10:10

Music: We'll be looking at swing music, syncopation and rhythm. Should be fun!

RE: We are asking the question 'What would Jesus do?' and exploring how Christians choose to live.

History/Geography: We're taking a look at our school and surrounding area and exploring sustainability for the future.

PE: Mondays - circuit training.
Thursday - Forest school

PSHE: Supporting our mental health and wellbeing using a variety of ideas.
