

Creators: Autumn 2 2026

English: We will be writing narratives and using our History topic as inspiration, focusing on using speech and descriptive words. We'll also learn and practise report writing.

Maths: Fractions! Adding, subtracting, multiplying and dividing! Should be fun....

Science: Light. We'll be learning how light travels and about reflection and refraction.

RE: We are asking the question, 'Why do Christians believe Jesus was the Messiah?'

Learning beyond the classroom:

11 November 2026 – We will be visiting Chislehurst Caves supporting our learning about WW2 and light.

17 November 2026 – Care Home Visit to sing WW2 songs

Home learning: Reading for 20 minutes, 5 times per week is the most important homework. Reading records due on a Wednesday.

Edshed – weekly

Prodigy maths - weekly

Bible verse of the term: May the God of Hope fill you with Joy and Peace. Romans 15:13

History/Geography: We're taking a look at WW2: what it was like for the people of Britain and the causes/effects of the Battle of Britain.

PE: Mondays - netball
Thursday - dance

Computing: We'll be discussing self-image and identity online as well as looking at publishing online.

Art/DT: We'll take what we learnt about electricity last term in science and incorporate it into some art pieces.

Music: We'll be looking at different types of music using the same instruments, comparing them, then creating some shadow art to go with it.

PSHE: We'll be exploring Ai and understanding the dangers of digital deception. We'll also look at celebrating the small things as part of mental wellbeing.
