

Trailblazers: Autumn 2 2026

English:

This term we will be exploring a traditional tale and adding our own twist, a shape poem and writing a letter. Exploring expanded noun phrases and joining our sentences with and.

Maths:

This term we will be expanding our understanding of subtraction, looking at place value up to 100, and exploring 2D and 3D shapes.

Science:

In science we will be learning about the seasons through our immersive days, having the opportunity to explore autumn and winter through the playground.

RE:

In our RE lessons, we will be exploring the topic 'What is the good news Christians believe Jesus brings.'

Learning beyond the classroom:

This term we are learning about weather, climate and seasons. In order to help us further our understanding of this, we will be spending time in the playground experimenting and exploring all things autumn.

Home learning:

Reading records need to be returned every Tuesday and every Friday. Please record a comment about what they have read. Please ask them questions to support their comprehension. Children should read at least 3 times a week.

Our key texts:

This term we will be reading and retelling the enormous turnip and we will look at the poem Through the Window by Joshua Seigal. We will start our term reading for pleasure by reading Flat Stanley by Jeff Brown.

History/Geography:

This term in geography we will be exploring weather and climate, which will also be investigated during our immersive days.

PE: In PE on Tuesdays we will be playing invasion games – where we will learn different ways of moving and passing a ball. On Thursdays we will be learning dance, where we will practice moving our bodies and making shapes.

Computing:

In computing this term we will be learning about online safety and digital creativity. Where we'll explore taking photos, recording audio and inserting pictures and formatting.

Art/DT:

In DT this term we will be learning about where our food comes, what foods are healthy and how we can prepare healthy snacks.

Music:

In music this term we will practice moving and counting in time to march music, responding to music through movements, singing and composing.

PSHE: In PSHE this term we will explore friendship and bullying, and celebrating My Happy Mind.
