

Parent's Organisation...

There has been a proposal to start a parent's organisation to support the school and give parents the opportunity to meet socially.

There will be a meeting in the school hall to discuss the way forward **at 7pm on Thursday 15th October**, all parents and carers are very welcome.

A quiz night has already been organised for Friday 13th November so keep an eye out for further detail in future newsletters.

A couple of parents asked could I find out about the provision of music tuition for children. After some investigation I discovered that Bird College do provide tuition for a fee as indicated here -

We have a variety of lessons on almost every instrument imaginable. We are able to offer Group lessons for Violin and Keyboard, and shared lessons on all other instruments.

We also run various ensembles here at the Centre for all abilities, including choirs, string orchestras and wind bands.

For beginners we would recommend the following ensembles:

Singing - Junior Choir, Saturdays at 09.00-10.30

Woodwind Players - Whirlwinds, Fridays at 16.30-17.30

String Players - First Strings, Saturdays at 11.00-12.00

For further details including the price of lessons please contact Bird College.

Dates for your diary...

10th Nov—Adventurers Review Day

17th Nov— Explorers Review Day

19th Nov- Pioneers Review Day

Boards will be available for you to choose a suitable appointment time when we return to school after half term.

Coffee, 9am every Wednesday

Coffee & Lovely hats 9am every Friday

All Welcome

School Travel Plan

Sophie has been working really hard at making our travel plan as effective as it can be. As part of her work she has been working with a group who promote Walk once a week and this group would like to do a presentation explaining Walk once a week as part of the Lovely Hats assembly on Friday 16th October. Please do your best to attend.

LOVELY HATS

Explorers

Violet has tried so hard with all activities and for writing her name so beautifully

Kamarni has made good choices all week with his learning and had given every activity go and even gone back and done them again to challenge himself!

Adventurers

BB for always answering questions, always sitting beautifully and always trying your best to solve problems!

Libby for trying amazingly hard with your phonics, writing and maths. What a superstar!

Pioneers

Josiah for his outstanding attitude to learning but his flair for dancing was a joy to watch yesterday! You're like the next Michael Jackson!

Evie R always tries her hardest in EVERYTHING and always wants to improve her skills. Her creative writing was especially brilliant this week.

This week the Governors Reading Cup is awarded to : **Annabelle**

Community Room

Now that the builders have left the building we will finally have use of our 'community room'. This is something the Trust worked hard for in the plans for the building to ensure we had a place for events and projects for the school and wider community.

We would welcome ideas from you and the newly formed parents group for using this space. Please speak to Mary Rouse with any suggestions. Until a programme has been developed, please feel free to use this space as somewhere to wait if you arrive early to collect your child from school.
