Do we have all of your contact numbers?

It is essential that we have more than one contact number on your child's school record in case of emergencies. Ideally we should have at least one (or more) main priority numbers and two emergency numbers.

Thank you.

Soul Food

We are ever so excited to let you know that Hope Community School is now a Soul Food Hub.

Soul Food is a Christian initiative that places books in 'hubs' in various locations across Bexley and Swanley including churches, fellowships and Foodbanks.

Books are borrowed and signed out in the Soul Food notepad and then returned to the hub when the reader has finished.

It is as easy as that!

Innovators/Discoverers/Explorers

We would like the children to make a bonnet in class. **They need to bring in a design and craft stuff**, in order to make their bonnet/hat, in a carrier bag (clearly labelled) for the afternoon of Wednesday 28th March. There will be a 'parade' (weather permitting) at 2.45 pm for parents and carers to attend.

Parents: if you could help your child create their design by talking about their ideas (it would be helpful that all children are given a 'fair' chance to be creative and be in the running for a prize).
